PUBLIC AID ORGANIZATION

Preface

Public Aid Organization (PAO) is a non-governmental, independent, non-profit and public utility organization. It works according to its humanitarian values in order to improve and settle the principles of human rights, hence establishing a developed civil society, as motivated by the United Nations Third Millennium Declaration. PAO was established on the 28th of April, 1992, by a group of volunteers driven by community needs on civil society matters, in order to help improve the life conditions of Iraqis, and to answer the following vision: "a world where everyone have their own complete rights.". Nowadays, it is a well-rooted organization, present all throughout Iraq. PAO keeps working on updating work strategies and to focus on the following aspects: social cohesion, peace building, democracy, family protection with special focus on women, children and youth. PAO is currently implementing numerous recovery and development programs through the provision of services in the following thematic: protection (including child protection, gender-based violence and housing land property), livelihoods, education, social cohesion, civil society and human rights (including access to justice & democracy).

Vision

A world in Which Man Lives Enjoying his/her Rights and Free in Making his/her own Decisions and Choices.
